## **8. PROPOSALS SUBMISSION**

**8.1.** Proposals must be sent to the CAPES-PrInt-UFRPE Steering Committee, exclusively by the PPG Coordinators;

**8.2.** Proposals must be sent in a SPECIFIC FORM, available on the website <http://www.editais.prppg.ufrpe.br/>;

**8.3.** The deadline to submit proposals will be until 23h59'59'' (twenty-three hours and fifty-nine minutes, fifty-nine seconds), local time, on the date indicated in the Item 10 of this Public Notice (**SCHEDULE**), and no proposals submitted after this deadline will be accepted;

**8.4.** It is strongly recommended to send proposals in a timely manner, since CAPES, UFRPE and the CAPES/PrInt/UFRPE Program Steering Committee will not be held accountable for the proposals not received due to eventual technical issues or failures in the e-mail system;

**8.5.** In case the proposal is sent after the submission deadline, it will not be accepted, and for that reason it will not be received, analyzed nor evaluated;

**8.6.** Additional clarifications and information regarding this Public Notice can be obtained with the PPG Coordinator or via the electronic address ([print@ufrpe.br](mailto:print@ufrpe.br));

**8.7.** Support for clarifications will end unequivocally at 17h00 (local time), on business days, and this will not be accepted as a justification to send proposals after the deadline;

**8.8.** Candidates are entirely responsible for all information provided, giving the Steering Committee authority to dismiss them from the selection if the required documentation is presented with partial, incorrect or inconsistent data, at any phase of the selective process or after the given deadline, as well as if the information is posteriorly confirmed as untrue;

**8.9.** The documentation must be attached in PDF format, in separated files.

## **9. SELECTION**

**9.1** The selective process of the JTEE scholarships Public Notice will be carried out by the Steering Committee, which is responsible, jointly with the PPGs contemplated in the CAPES-PrInt-UFRPE

Program, to ensure that selected candidates to the JTEE scholarship are in compliance with the objectives established for the involved PPG, in the Project 1 of the themes from the CAPES-PrInt-UFRPE Program;

**9.2.** It is each PPG Coordination responsibility to carry out the internal selection of the PPG candidates;

9.2.1. The PPGs that are part of the CAPES-PrInt-UFRPE Program must carry out an internal selection and indicate the candidates, in accordance with the thematic fields of the CAPES-PrInt-UFRPE Program in which the PPG participates;

9.2.2. To refer to the Steering Committee the result of the pre-selection of candidates to the JTEE scholarship in the CAPES/PrInt/UFRPE program, with the result of the referred pre-selection in a list indicating the sequence of the PPG priorities;

It is the responsibility of the CAPES/PrInt/UFRPE Program Steering Committee to designate the Application Selection Committee and to establish the proposal selection procedures, to select and recommend those who best fit the thematic fields of the CAPES/PrInt/UFRPE Program.

**9.4. During the selection process, the Selection Committee must take into consideration the following aspects:**

9.4.1. Suitability of the documents presented by the PPGs to the demands of this Public Notice;

9.4.2. Candidate's qualification with proof of academic performance and scientific potential to develop the activities in the PPG;

9.4.3. Feasibility of the candidate's Plan of Work for the period of 12 (twelve) months of the JTEE scholarship activities;

9.4.4. Relevance of the project theme the candidate has applied to, with the scope of the CAPES-PrInt-UFRPE Project.

**9.5. Criteria for evaluating proposals:**

9.5.1. The criteria for the classification of proposals regarding the technical-scientific merit are:

Point	Evaluation Criteria	Weight	Score
1	Relevance of the plan of work for the scientific, technological and innovation development of PPGs in the scope of the CAPES-PrInt-UFRPE Program	3	0 - 100
2	Curricular evaluation of the JTEE scholarship candidates	4	0 - 100
3	Reach and scope of the JTEE scholarship holder for the PPGs involved in the proposal	3	0 - 100

#### 9.6. Prioritization:

9.6.1. Prioritization is a step in which a score is attributed to each application, considering the sum of proposals presented to the Steering Committee;

9.6.2. Prioritization will occur every time the number of candidates selected is superior to the number of scholarship available in the CAPES-PrInt-UFRPE Program;

9.6.3. Classification of applications will be made by the CAPES-PrInt-UFRPE Program Steering Committee, through a comparative evaluation, considering the criteria assigned in the item 9.5 of his Public Notice (**Criteria for Evaluating Proposals**);

9.6.4. In case of a tie, the following criteria will be considered for the tie break:

Tie Break Criteria Order	Criteria
1st	JTEE scholarship candidate qualification and experience
2nd	Merit, originality and relevance of the project for the scientific, technological and innovation development of the State of Pernambuco

#### 9.7. Final evaluation and results approval:

9.7.1. The CAPES-PrInt-UFRPE Steering Committee will evaluate the prioritization of the selected proposals by the Evaluation Committee and will make their final classification;

9.7.2. The Steering Committee will approve and disclosure the final result.

#### **9.8. Administrative appeal:**

9.8.1. The appeal referent to the final result must be officially referred to the Steering Committee of the CAPES/PrInt/UFRPE Program via email ([print@ufrpe.br](mailto:print@ufrpe.br)), who will designate a specific committee to analyze it;

9.8.2. The request must strictly oppose the dismissal motive, not including new facts, which were not object of analysis of a previous merit, and that are in compliance with the documents already existent in the process;

9.8.3. The result on the reconsideration will be definitive, with no other appeals being permitted.
